

European Institute for Health Records

To Whom it Concerns

EuroRec is pleased to have received information about the establishment of the civic association ProRec.SK, transformed from civic foundation eHealth - e- Zdravie in the Slovak Republic.

We would like to inform you that ProRec.SK :

- (i) has been recognized as the only official national ProRec International Centre for the Slovak Republic,
- (ii) is the only official partner of EuroRec in the Slovak Republic,
- (iii) fulfills the goals of EuroRec in the Slovak Republic,
- (iv) enjoys the full trust of EuroRec.
